THE MOROCCAN AMERICAN NETWORK

## Membership Factsheet

### Join us:

AMPA membership offers a variety of benefits to individuals and corporations. First and foremost, AMPA unites members and business partners with similar goals and interests. Whether they communicate and network through our newsletter, online directory, or high profile events, our members and partners soon find themselves making leaps.. Some will partner to evaluate and pursue investment opportunities; others will leverage the members' platform to develop a highly valuable cross-Atlantic connection, while others will find the perfect gateway for personal development or community service.

### Membership Benefits:

- Join a cadre of elite Moroccan professionals
- Develop relationships with business leaders of the Moroccan community from a variety of industries and backgrounds
- Tap into the AMPA platform as well as the knowledge base brought by our partners and our guest speakers
- Get one-on-one introductions to other successful members, visiting government representatives, and guest corporate executives
- Access to exclusive content and data relative to Moroccan-American opportunities
- Contribute to the success of the Moroccan professional association in America
- Get a unique opportunity to promote your business to a select community, through a variety of direct mail, sponsorship and advertising opportunities

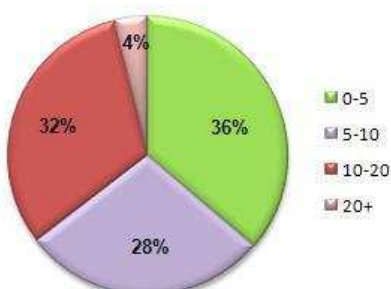

### Membership Criteria:

- Bachelor's Degree or 5 years of experience
- Membership is exclusively available via referral
- \$100 Initial Membership fee (One-time)

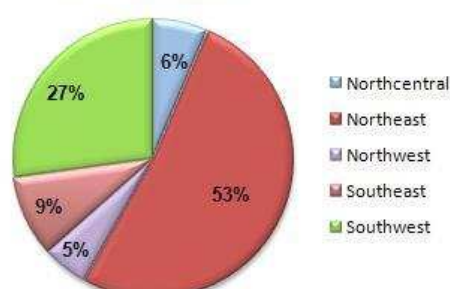

### Membership Statistics:

- 265+ Members in over 20 states
