	The Definitive Drucker by Elizabeth Haas Edersheim Considered the father of modern management, Peter Drucker spent the last 16 months of his life speaking about the world of business with Edersheim, a respected management thinker in her own right. The Definitive Drucker provides his final thoughts about the development of modern business. Link
	How to Succeed in Business Without Really Trying by Dov Seidman According to Seidman, in this ever-increasingly competitive world, it's not what you do, but how you do it that sets you apart from the pack. Link
	The 360 Degree Leader (Bonus Summary #2) by John C. Maxwell According to leadership expert John C. Maxwell, you can learn to develop your influence from wherever you are in the organization by becoming a 360-degree leader. You can learn to lead up, lead across and lead down, he writes, that only 360-degree leaders influence people at every level of the organization, and by helping others, they help themselves. In The 360 Degree Leader, Maxwell explains that becoming a 360-degree leader is within the reach of anyone who possesses average or better leadership skills and is willing to work at it. Link
	Good to Great (Bonus Summary #1) by Jim Collins What do good companies need to do to become great? To answer this question, Jim Collins (the author of the bestseller Build to Last) and a team of researchers used strict benchmarks to identify a group of 11 elite companies that made the leap from good to great and sustained that greatness for at least 25 years. The companies that made the list, and those that did not, provide a vast supply of strategies and ideas that leaders can use within their own organizations to propel them to greatness. Link
	What Got You Here Won't Get You There (Bonus Summary #3) by Marshall Goldsmith with Mark Reiter The corporate world is full of intelligent and skilled executives. Link

Problem: So many great business books. So little time.
Solution: Read less. Learn more.

This section of the library will keep you up to date with the best business books of the year. Additions will be made on a monthly basis. Each book summary is about 8 pages.

Let us know if there are any other subscriptions or documents you would like AMPA to add in the Library. Or email us any documents you would like to share with other members.
